ST FAGANS COMMUNITY COUNCIL

COMMUNITY CLEAN-UP SUCCESS ON MICHAELSTON ROAD

Working Together for a Safer, Cleaner Community

ON Wednesday 19 August 2026

Road Closure: 10:00am – 2:00pm

OVER 20 BAGS OF LITTER COLLECTED!

PARTNERSHIP St Fagans Community Councillors worked alongside Cardiff Council's Parks Department during the temporary closure of Michaelston Road.

The closure provided an opportunity to:

- ✓ Raise local residents' concerns around road safety
- ✓ Clear overgrown vegetation
- ✓ Improve visibility along the road corridor
- ✓ Enhance the local environment

While the road was closed, Community Councillors undertook a litter pick along Michaelston Road, collecting and removing over 20 bags of litter. The work has helped create a cleaner, safer and more welcoming environment for residents, visitors and wildlife.

THANK YOU TO EVERYONE WHO HELPED

A great job all round and a fantastic example of partnership working for the benefit of our community.
